Shimmy & Shake IN YOUR CAR ARE As Old Fashioned As the horse & buggy.

Modern engineering design in cars has eliminated the kidneyshaking rides of the "good old days." Cars now travel on pneumatic tires along good highways. Shimmying and shaking are now "engineered" out of riding. If your car is hard to steer, shimmys and shakes, it means something is wrong with the front end alignment or wheel balancing. Our mechanics can eliminate these troubles for you. Drop in today and let us check your car. SAVE THOSE NATURAL RUBBER TIRES WITH PROPERLY BALANCED WHEELS AND A CORRECTLY ALIGNED

across the sand, but paused at the She ran upstairs. She would not at them. look at Grandmother's closed door "You'll stay with her, Mr Cleve came running around the look at Grandmother's closed door beyond which lay her quiet room, dim and in order, the crumpled linen taken away. By now, she knew, the white sheets and pillow cases had been swirled in snowy suds, and, blowing on the line beyond the kitchen garden, been cleansed by the sun and wind of any lingering vestiges of stain. The traces of lipstick were gone, Her and the sand and Mr. Greer or lipstick were gone, Her and the sand, At the blood-stained boulder come to rest. WASHINGTON-Richard Talbott, cleansed by the sun and wind of any lingering vestiges of stain. The one comes." who operates a concern called the traces of lipstick were gone. Her "I mean me and Mr. Greer or stained boulder come to rest. University Driving Laboratory in doubts, too, were gone. Or so she Mr. Edward. You'll stay till one of "It came down the bank—it hit

University Driving Laboratory in nearby Hyattsville, Md., says generally speaking, people with so-spintelligence make better automobile drivers than the smart folks. That's a controversial statement, but he should know, Talcott teaches all kinds, from the very dumb to the awful smart, how to drive an automobile.

During the war he instructed other soldiers in the art of piloting a jeep. Since then, operating his own business, he has taught hundreds of civilians how to drive. So far as he knows, only one customer has had a serious accident.

"He swar a physicist were gone, Her off. The Edward, You'll stay till one of the come today. I closed the stairs, the doorbell chimed. Looking past Greer as he opened the stairs, the doorbell chimed. Looking past Greer as he opened the stairs, the doorbell chimed. Looking past Greer as he opened the stairs, the doorbell chimed. Looking past Greer as he opened the front door, she saw Anne silhouteted against the bright out doors, and ran forward to greet her.

During the war he instructed other soldiers in the art of piloting a jeep. Since then, operating his own business, he has taught hundreds of civilians that the first time you ever came to see me."

"Anne, I'm so glad to see you." Dorinda caught Anne's hands in hers, her face lighting in welcome. "It's the first time you ever came to see me."

"It's the first time you ever came to see me."

Apt Punning

"To please his father, orator Wendell when the stain, as he bent over the body. He touched Anne's wrist, he lifted the fan of her hair. Then he came back to Dorinda, standing quiet too long? Do you want to see beyond him. He rubbed his fingers on his trunks. He looked file the face, beneath her small black hat, looked flushed with me. Come on, we'll have a game."

She hunted for the pocket of her robe. "To rought your?"

She hunted for the pocket of her robe. "To rought you be all with me. Come on, we'll have a game."

She hunted for the pocket of her robe. "To rought you were bried to the beach, watching Randy gallop aft

MAGNOLIA GROVE

This beautiful ante-bellum home is in Greensboro and was built in 1830. Here Admiral Richmond Pearson Hobson grew up to become a world renown hero and winner of the Congressional Medal of Honor. This home was opened to the public as a State shrine in May, 1947, in memory of the man who sank the U.S. Warship Merrimac, thus bottling up the enemy fleet in Santiago Harbor during the Spanish-American war.

the first feed manufactured in Alabama to be fortified with -

VITAMIN B 12 & AUREOMYCIN

more and better bacon, ham and pork chops on the dinner table. A remarkable new growth-promoting ingredient known as Vitamin B-12-Antibiotic (Aureomycin, Feed Supplement is now being added to all of BOB'S HOG AND POULTRY FEEDS. Pigs raised on such diets gain in weight substantially faster than those fed the best of other feeds, according to tests at Agricultural Experiment Stations in Florida, III., Indiana, Iowa, Michigan, Nebraska, Ohio and other swine producing states. They not only grow into hefty porkers faster-they are also healthier, less subject to disease and runtiness is eliminated. Its use will save money for the farmer and help him produce more high quality meats for the world's needs.

About People and Things By C. B. McDowell

SNAKES SEE PINK ELEPHANTS =

Will DeVaughan who operates

a sawmill between Elba and New

Brockton brought three large

rattlers to Elba Tuesday in a cage. He said he poured gasoline

into a hole, making the snakes

drunk. Then they come out in

an inebriated condition and are

easy to handle. They must suf-

fer from terrific hangovers af-

ter their gasoline binge because

their disposition is anything but

sweet after they are caged. Mr.

DeVaughan makes a business of

capturing and selling rattlers

Ran McCollough reported that

Charles Boswell killed one of the

largest rattlers he ever saw or

his old place north of town

Monday. Mr. Boswell said Mr.

DeVaughan can have all the

live rattlers he wants but, he
